BANGALORE TOWN MUNICIPALITY.

The 15th November 1882.

Memo of propositions to be laid before the Ordinary Meeting of the Town Municipal Commission to be held at their Office Premises No. 99—2, Arcot Srinivasachari's Street, on Friday the 24th November 1882 at 8 A. M.

1. The usual monthly accounts and mortuary return for the month of October 1882.
2. List of proposed original works for insertion in the Budget for 1883—84.
3. Proposal by the President to enforce into the village of Gangammacheri situated on the Fort road, the provisions of Section 129 of the Bangalore Municipal Regulations of 1871, prescribing the prohibition of having roofs of inflammable materials, the buildings in Gangammacheri being made of thatched roofs.
4. Application from Revd. J. H. Walton for a portion of the strip of waste ground lying along the Town wall for the use of the London Mission School.
5. Deferred proposition.—Proposed Bye-laws relating to the storage of inflammable oils.
6. Deferred proposition.—Proposed modifications in the schedule of rates sanctioned by the late Chief Commissioner in Notification No. 31, dated 27th September 1879, chargeable on offensive and dangerous trades falling under the provisions of Section 185 of the Bangalore Municipal Regulations of 1871.
7. Proposal by Mr. A. S. Raghavachar, Municipal Commissioner, No. I Division, to get a commodious hall built in the open square of the present Municipal Office for the meetings of the Board, as the small room now under repair is too narrow and unsightly.
8. Proposal also by the said Commissioner to divide the bathing reservoir in front of Purnaiya's Chattram into two or more portions so that when one portion is being cleaned the other portion may contain water for the use of the public.
9. Consideration of a petition from certain residents in Chikpettah complaining against the incessant noise made in copper and brass vessel manufacturing shops to the great nuisance of the public in general and to the neighbourhood.
10. Petition from one Venkatramana residing in Balépettah complaining against the nuisance caused by the noise in pounding avalakki.
11. Docket No. 2394, dated 7th instant, from the Director of Public Instruction enquiring whether a moiety of the estimated cost for repairing Government Canarese Girls' school at Bangalore can be made available from Municipal Funds.

Copy of Proceedings of the Town Municipal Commission at a meeting held on Friday the 27th October 1882, at 8 A. M.

Resolution.—Approved.

II. Deferred proposition.—Consideration of the rules proposed to be introduced by the President into the mortuary registration and vaccination departments in view to secure better efficiency in the working thereof.

Resolution.—The rules regarding mortuary registration and vaccination have been duly considered, approved and passed. The same to be printed and the officials concerned be furnished each with a copy. The rules to be brought into force from the 1st proximo.

III. Proposal by Mr. A. Srinivasachar, Municipal Commissioner, No. II Division, to move the Government to sanction the introduction into the Town Municipality of the scale of fees levied in the Madras Municipality on demand notices and warrants for distraining property in the case of defaulters, the present scale of fees levied as provided for in the Bangalore Municipal Regulations of 1871, being too high for the poorer classes to meet and in several cases the fees are equal or even more than the actual tax to be paid by them.

Resolution.—Passed with a slight modification in the fees on demand notices. The same be submitted to Government for sanction.

IV. Proposed Bye-laws relating to the storage of inflammable oils.

Resolution.—Certain points in connection thereto require further consideration, hence deferred till the next meeting of the Board.

V. Proposed modification in the schedule of rates sanctioned by the late Chief Commissioner in Notification No. 31, dated 27th September 1879, chargeable on offensive and dangerous trades falling under the provisions of Section 185 of the Bangalore Municipal Regulations of 1871.

Resolution.—Deferred to be considered along with proposition IV.

VI. Proposal by the President to bring into operation the provisions of Section 188 of the Municipal Regulations of 1871, for the Town of Bangalore regarding registration of burial and burning grounds within the limits of the Town Municipality.

Resolution.—Sanctioned. Necessary notices to be served on the owners or persons having the control of burial and burning grounds requiring them to register the same in the Office of the Municipal Commissioners. If no recognized persons are in charge, the Municipal Commissioners shall appoint trustees.

VII. The consideration of the project for constructing a clock tower at the entrance of the Pettah vegetable market.

Resolution.—Sanctioned. Before submitting the design to Government for approval the necessary alterations therein be effected as observed by the Municipal Commissioners.

VIII. Proposed certificate by the President under the provisions of Section 190 of the Bangalore Municipal Regulations prohibiting the use of the burial ground belonging to the lower tribe of the Hindus and situated close by the Kumbargundi bathing reservoir.

Resolution.—The Municipal Commissioners be given an opportunity to inspect the burial ground for an expression of their opinion in the matter. Till such time the submission of the above certificate to Government be deferred.
